

2016/17 Software Standards

All IET workstations deployed by ITPS are built with the following software installed, unless custom modifications are requested.

Windows Workstations

- **Microsoft Windows 7 Enterprise, 64-bit**
- Microsoft Systems Center Endpoint Protection
- Microsoft Office Professional Plus 2016 (including Project, Visio Pro, and Lync)
- Microsoft Internet Explorer 11
- Mozilla Firefox
- Adobe Acrobat 12 Professional
- Adobe Flash Player
- Juniper Network Connect
- 7-Zip
- Java

OS X Workstations

- **Apple OS X 10.11**
- Sophos Anti-Virus
- Microsoft Office 2016
- Lync 2011
- Adobe Acrobat 12 Professional
- Adobe Flash
- Mozilla Firefox
- TextWrangler
- Java

Linux Workstations*

- **Ubuntu Linux 16.04.1**

** ITPS cannot provide support for Unix-based operating systems.*
